**2027 School fees**

The AGM & Budget Meeting was held on 22nd October 2026. The 2027 Budget and school fee resolutions were unanimously accepted and approved by the attending Parent Body. **The 2027 school fees per annum per learner are set at R47 200.00 for all grades.**

The SGB thanks parents in advance for their commitment and support by way of making their timeous payment of the school fees. It is the payment of school fees that enables the SGB to maintain the school's high standard of excellence, and to continue striving for higher goals in line with the school's vision. Thank you for entrusting Bryandale Primary to equip your children, our learners, with the solid foundation on which to build their future careers.

The annual school fees are due for full advance payment by 31st January in the year to which the fees relate. Parents who are unable to make this payment are required to make a payment arrangement with the School Governing Body (SGB) via the 2026 Payment Schedule.

The SGB approved payment options are:

1. **Grade 1 learners**: An initial school fee amount of R6 400.00 is to be paid on acceptance of the learner's admission to the school. The payment is then deducted from the 2027 annual school fees, which leaves an outstanding school fee balance of R40 800.00 for payment in line with one of the following options:
   - Upfront payment - A discounted single lump sum payment of R38 400.00 by 31st January 2027; **OR**
   - Ten equal consecutive monthly payments of R4 080.00 paid in advance on the 1st day of each month, January 2027 to October 2027 inclusive.
   - Should, for any reason, the R6 400.00 have not been paid prior to the learner's admission in 2027, it is to be added to the January 2027 payment amount.
